

JANUARY 2026

Get Organized Month: Declutter & Donate this New Year!

A Message From *Michele*

Hello Everyone!

There is something special about the start of a new year. It invites us to pause, take a breath, and step forward with renewed hope. At Goodwill of South Central Wisconsin, we welcome 2026 with gratitude and optimism for what is ahead.

This year begins with momentum, including the growing impact of Launchpad, our transitional jobs program. Launchpad is opening doors for individuals to build skills, confidence, and stability, creating real opportunities that lead to lasting employment and brighter futures.

As we move forward, we are guided by a spirit of advancement, helping people take their next step, at their own pace, toward possibility and independence.

To our donors, shoppers, partners, and friends, thank you. Your generosity fuels everything we do. Because of you, people in our community are finding safe and stable housing, meaningful work, and the support they need to live, work, and thrive.

You can be part of the impact by donating items you are ready to pass along, shopping Goodwill and sharing the GOOD, and following us to help spread our mission. To our employees, thank you for showing up every day with heart and purpose. Your work changes lives. Here is to a hopeful year ahead, together.

With Gratitude,

Michele Harris
President & CEO

Celebrating Our Team

January RISE Award Recipient

Stephanie, E-Commerce Specialist, is being recognized for her incredible Stewardship. Over the past two weeks, she has seamlessly moved between jewelry, authentication, and listing; tasks varied enough that many would struggle to meet goals during this transition. Stephanie navigated them effortlessly, helping the team achieve objectives while consistently exceeding performance expectations.
