Tax Season Help: Free VITA Tax Assistance for Our Community

## A Message From *Michele*

Hello Everyone!

As we look ahead, February is a great time to shake off cabin fever and find moments of joy in everyday experiences. Shopping at Goodwill turns a simple outing into a feel-good moment, from discovering an unexpected treasure to finding something that refreshes your space or wardrobe. Behind each full and welcoming store is a dedicated retail team working hard with pride and care for the mission. Every purchase supports local jobs and community programs, making each find even more meaningful.

That sense of support continues through our free tax preparation program (VITA), which is in full swing. Thanks to the dedication of our staff and volunteers, individuals and families are receiving trusted, no-cost assistance that helps make tax season less stressful and more manageable.

February is also Black History Month, a time to honor Black leaders and contributions while reaffirming our commitment to equity, opportunity, and belonging in our workplace and throughout our community.

As Valentine's Day approaches, we are reminded that kindness matters. A donation, a thank-you, a smile, or lending a hand can make a real difference. Small acts of kindness, multiplied, create powerful change.

Thank you for being part of the Goodwill community and for spreading good all month long.

With Gratitude,

*Michele Harris*

## Mission in Motion

### VITA: Goodwill's Volunteer Income Tax Assistance Program

Tax season is here, and Goodwill of South Central Wisconsin's Volunteer Income Tax Assistance (VITA) program is ready to help. VITA provides free, reliable tax preparation for community members with low to moderate income, helping ensure they get the credits and refunds they deserve. Appointments are available this tax season at several local locations, where trained volunteers guide filers through every step at no cost. Many participants leave not only with their taxes completed but also with greater confidence in understanding their finances and accessing available benefits.

# Celebrating Our Team

## February RISE Award Recipient

This month we recognize Harley Lee, Assistant Store Manager at Monona, for Stewardship & Results! Over the past several weeks, she seamlessly managed responsibilities across Monona, North, and the ADC, filling in at multiple locations and training staff while keeping operations running smoothly. Harley's dedication, leadership, and willingness to step in wherever needed have helped strengthen several teams, and she continues to apply her RISE Leadership training to make a meaningful impact across the organization. Congrats, Harley!

## Safety — Tom's Safety Tips

Fire prevention is an important part of keeping everyone safe at Goodwill. Help prevent fires by remembering these key tips:

- Keep aisles, exits, & donation areas clear and uncluttered.
- Use electrical cords and outlets safely; never overload power strips.
- Know where the nearest exit is and follow staff instructions in an emergency.
- If you see smoke or fire, alert a team member right away and evacuate safely.
- Smoking is only allowed in designated areas.
