JUNE 2026

Happy Pride Month from Goodwill SCWI!

A Message From *Michele*

Hello Everyone!

June brings the start of summer, a season that naturally draws people together through community activities and moments of connection. At Goodwill of South Central Wisconsin, that spirit of belonging is at the heart of our mission.

This month also includes moments of recognition and reflection. Pride Month invites us to affirm belonging for LGBTQ+ members of our community. Juneteenth reminds us of the importance of freedom, dignity, equity, and opportunity. Both observances connect to our belief that every person deserves to be valued and supported.

Our mission services put that belief into action. Through housing, employment, supportive services, Goodwill meets people where they are and creates pathways toward stability, independence, and meaningful work.

That commitment is reflected in our employee culture. We strive to create a workplace where people feel respected, welcomed, and supported, and where different backgrounds, experiences, and perspectives strengthen our team.

Inclusion comes to life in how we listen, collaborate, recognize one another, and create opportunities.

Every donor, shopper, volunteer, employee, and community partner plays a role in bringing this mission forward. Together, we are creating a community where people can live, work, thrive, coming together for GOOD.

As Father's Day approaches, we also celebrate fathers, father figures, and all who help create belonging in the lives of others.

With Gratitude,

Michele Harris

President & CEO

Mission in Motion

Small Change, Big Impact: Goodwill's Round Up!

A few cents may not seem like much, but when our shoppers choose to round up their purchases at checkout, those small donations create a big impact. You may be asking, *where does that change go?* The answer is simple—it goes directly to Goodwill's mission programs. Every round up helps support Goodwill's mission of providing employment services, job training, stable housing, and other programs that empower individuals in our community to reach their goals and build brighter futures. Those extra cents help fund the services and support that make a difference for thousands of people throughout South Central Wisconsin each year. The collective generosity of our customers makes an impact every day. By simply rounding up to the nearest dollar, shoppers help create opportunities, strengthen our community, and support individuals on their path to greater independence. So next time you're shopping at Goodwill, consider rounding up to help turn small change into BIG GOOD.

Celebrating Our Team

June RISE Award Recipient

This month we recognize LuAnn Meinholz, Accounting Specialist, for Stewardship & Results! LuAnn's attention to detail, initiative, and problem-solving mindset have helped strengthen Goodwill's ability to serve our community. By identifying opportunities to improve processes and recover funding that supports our programs, she has made a meaningful impact on our mission. LuAnn consistently goes above and beyond, collaborating across teams and finding solutions that help Goodwill operate more effectively and maximize resources for the people we serve. Congrats, LuAnn!
