Donate Food During November at Goodwill for Double the GOOD!

A Message From Michele

Hello Everyone,

November is a wonderful time to reflect on all we have to be grateful for. At Goodwill, we're especially thankful for the generosity of our community and the many people who help bring our mission to life every day.

One way we see that generosity in action is through our annual Double the GOOD campaign, in partnership with Second Harvest Foodbank of Southern Wisconsin. With one convenient stop at Goodwill, you can donate clothing, household goods, electronics, and nonperishable food. Together, we're helping fight hunger while creating opportunities for people to live, work, and thrive.

We're also grateful for the local agencies that partner with us through our Community Partner Voucher Program. So far in 2026, 263 vouchers have been redeemed, helping individuals and families access everyday essentials when they needed a helping hand. It's a reminder of how much more we can accomplish together.

As we recognize Veterans Day, we extend our heartfelt appreciation to those who have served our country and their families.

This Thanksgiving, I want to personally thank our employees, donors, shoppers, and community partners. Your kindness, compassion, and support make our work possible.

Wishing you and your loved ones a warm and happy Thanksgiving!

With Gratitude,

Michele Harris
